

Dryer

Electrolux dryers adjust temperatures and motion for precise care. So you can relax, knowing you never have to worry about your favourite t-shirt or pants coming out a size too small, ever again.

Reduce wrinkles by 50%

With the unique technology of our **SteamCare** dryer, reduce wrinkles in freshly dried clothes by up to 50%* for easy ironing.

Or simply refresh stale clothes, quickly removing odours from food or smoke and returning a feeling of freshness to your garments.

Tailored drying for delicates

The **DelicateCare** adjusts the temperature and motion of the drum to specific fabrics, ensuring tailored care. Silks retain their shape, woollens resist shrinking and waterproofing is protected. **Woolmark Blue** certified.

3D Sense

Our most advanced drying technology and market-leading innovation, scans the moisture level in garments for precise, complete drying. Down jackets are kept like new, warmth and fluffiness 100% restored.** Regardless of thickness, tests on duvets show perfect drying with no damp spots.***

* Internal test on 100% cotton woven fabric.

** External test to ISO 11092.

***Internal test on duvets up to 2.5kg, with synthetic and natural feather filling.

After SteamCare

Heat Pump Dryer Features

SteamCare

SteamCare reduce wrinkles in freshly dried clothes by up to 50%*for easy ironing. Or simply refresh stale clothes, quickly removing odours from food or smoke and returning a feeling of freshness to your garments.

3DSense

3DSense, our most advanced drying technology and market-leading innovation, scans the moisture level in garments (down jackets¹, duvets²) for precise, complete drying.

SensiCare

SensiCare measures the temperature and humidity within the drum and dynamically adjusts the time and energy consumption accordingly, so garments are protected from overdrying.

Extra Anticrease

AntiCrease option can provide up to 120 minutes of extra intermittent tumbling on the completion of the drying cycle, keeping your dried clothes in motion to prevent further wrinkling and creasing.

Woolmark Blue³

The Wool Care programme is suited for machine washable wool – cleaning and drying without shrinking.

Hygiene

The Swisstest verified Hygiene cycle runs above 60°C, drying while sanitising items, removing more than 99.9% of common bacteria and viruses.

DelicateCare

The DelicateCare Heat Pump Dryer adjusts the temperature and motion of the drum to specific fabrics, ensuring tailored care.

Stainless Steel Drum

Stainless steel drum ensures optimal reliability while tumble drying, ensuring fabrics slide on its surface and don't get caught or snagged causing tear. Treating all your garments with delicate care.

Wi-Fi Connectivity

Connect your heatpump dryer to the Electrolux app to enjoy the convenience of remote control. Get real-time status updates, resource saving advice, and tips Clothing care with Connected.

ColourCare

Keeps the colours in your clothes looking like new for longer. Fabrics maintain their vibrancy for longer, so clothes always look and feel their best.

¹External test to ISO 11092.

²Internal test on duvets up to 2.5kg, with synthetic and natural feather filling.

³The wool cycle is certified by The Woolmark Company. Follow the garment care label for drying and other laundry instructions.

*Internal test on 100% cotton woven fabric.
