

Singapore Good Design Award Winner 2022

Our UltimateTaste 700 built-in gas hob range has won the SG Mark for its outstanding product design at the Singapore Good Design Awards.

Featuring FlameShield trivet and StepFlame, these gas on glass hobs are designed to give intense heat and reduce heat loss to improve energy efficiency, with preset heat levels to ensure precise control. Making it easier to create great tasting food, every day.

Applicable Electrolux models are: EHG8251BC, EHG9251BC, EHG9351BC, JZT-EHG8260BC, JZT-EHG9360, BCEHG8260BC, EHG9361BC

Hobs may vary by model.
