Laundry Range 2022

Keep your favourites
looking newer longer

The right amount of care

A laundry that knows what matters. At Electrolux, our philosophy is simple: the laundry should be seamless and intuitive. That's why our design team have developed it's new range with smart, sustainable features and clean lines for an effortless experience. So you can focus on the things that make you happy.

Swedish thinking.
Better living.

Fabric Care

SensorWash™ detects dirt and adjusts cycle, to ensure clothes are always perfectly washed.

Deeper clean

Say goodbye to detergent or soil residue on your freshly washed garments.

Wi-Fi Connectivity*

The Electrolux app allows you to be in control of your appliance. Chose your favourite wash program, add options, monitor the wash and receive notifications on-the-go. Get expert advice from our Stain guide, or use the Care Advisor to send the right programs to the machine just for you.

Intuitive and intelligent

Keep colours bright, whites startling and blacks dark. Smart sensors automatically detect the soil and detergent levels to adjust the washing time for optimal, energy-efficient results that reduces unnecessary wear on fabrics.

Handle with care

Looking after your clothes is effortless, with Electrolux. Our washers come with a range of smart features that keep your favourites looking their best, for longer.

*Minimum requirements: iPhone6/iOS 9.3/Android 4.3 and above. You will need to install the Electrolux Life app, create an Electrolux account and accept the Terms and Conditions and Electrolux's Privacy Policy in the app to use the connected features of the appliance. Internet and Wi-Fi connections are required to use the full features of the app and the appliance. Minimum requirements, apps and services are subject to change without notice.

Front Load Washer

Features

No more wrinkles

Vapour not only reduces wrinkles, it also eradicates up to 99% of allergens and germs for a clean that's more than just superficial.

Hand it to us

You can safely trust your washer to treat your delicate wool garments with utmost care. Our wool cycle is proven to be gentle even your hand wash only woollens, keeping them as fresh and lovely as they felt when you first put them on.

Quietly efficient

Reduce your energy needs by up to 50% with a powerful and reliable EcoInverter motor that cuts vibrations and noise to the barest whisper. The ten-year warranty means your washer will deliver, wash after wash, year after year.

*vs conventional non inverter motors

Fit more in

Just back from a big trip? The new, extra-large door opening makes for seamless loading or unloading of your laundry.

Features

99.9% allergens removed

Gentle Hygienic Care option removes up to 99.9% of allergens and germs at the end of a cycle.*
