Electrolux

Our belief

At Electrolux, we believe that a healthy great tasting meal starts before you begin preparing it; it starts with great ingredients.

This is why we are devoted to support people in realizing their ambition to create healthy, great tasting food.

**Swedish thinking.
Better living.**

Customise your coffee shots

With **Auto-Shot** volume control, you can precisely control the volume of each espresso shot to fit your cup or glass at the touch of a button.
